

## Lloyd Rigby, of Wembley District, Again Proclaimed King of Wheat Fields

### Various Business Dealt With by Town Fathers Monday

Several Bylaws—Contracts Let For Making Of Markers For Air Field And Hauling Of Wood From Airfield To Town—Voters' List Submitted And Approved.

The following councillors were present at a regular meeting of the Town Fathers held on Monday night, Bentley, Charters, Smart, Swallow and Porteous. Mayor Lawlor was in the chair.

The passing of accounts and several by-laws, considering the tender for the making of markers for the airport and the hauling of wood from the airfield took up the major portion of the time of the meeting.

The following accounts were passed for payment:

General	\$86.94
Childs Welfare	6.00
Medical Aid	60.00
Indigent Relief	28.00
Unemp. Relief	24.50
Labor	19.50

Total \$221.34

O. B. Harris, president of the Grande Prairie Board of Trade, interviewed council in regard to the town paying its engineer, who is the holder of the Youth Training Short Course now in progress here. He explained that the salary for the two municipalities, the Seed Growers organization and the town, to shoulder the cost. The council agreed to pay its share and voted \$8.

The financial statement for November was read and approved.

The mayor and secretary were instructed to draft a letter to A. H. McQuarrie, road engineer, who is retiring the first of the year, expressing appreciation of the many services rendered the town during his many years at Grande Prairie.

There were five tenders for the making of 30 markers for the airfield. M. Lydell was given the contract.

There were no less than eighteen tenders for the hauling of wood, cleared from an airfield. Gordon Stewart was given the contract.

The following by-law was then passed:

By-law governing traffic and a By-law authorizing the granting of a donation to the Red Cross, which was set at \$25.00.

The by-law with regard to forcing the keeping clean of sidewalks in the business section of the town also passed.

The mayor informed council that work had been received from the Government was mailing a check for \$25.00 on the airfield which would arrive in a few days.

The voters' list was submitted and approved, after the mayor pointed out that the list contained only the names of property owners, as no applications had been made by relatives of property owners or by any tenants to have their names included in the list.

This, he said, was in accordance with section 188 of the new Act, which requires that application be placed on the voters' list be made during the last September and October of each year.

## Johnny Shields To Represent Northern Hardware In P. R.

With The Thomson Hardware For The Past Fourteen Years Started On Trip Over Territory, Accompanied By Predecessor E. G. Glover.

On Saturday night last, Johnny Shields severed his connection with the Thomson Hardware, with which firm he has been for the past fourteen years.

This step was taken to take over the Peace River territory for the Northern Hardware, Limited, Edmonton.

Johnny takes the place of E. G. Glover of Edmonton, who has represented the Northern Hardware Ltd. in the Peace River country for the past three years, and who has been transferred to the area south of Edmonton.

Seen by The Herald-Tribune reporter, Johnny in discussing his new position, said that it was with no little regret that he severed his connection with the firm for which he worked for so many years and he expressed the hope that the many customers of the firm will give their successor, Charlie Chatten, their continued support.

Johnny, who has been prominent in hockey circles for many years, and a member of the fire brigade, carries with him the best wishes of all those who believe in good clean sport and his best of friends in his new position.

Accompanied by Mr. Glover, Johnny set out on Monday morning on his first trip over the territory.

### NEW DISTRICT SUPERVISOR, MACDONALDS CONSOLIDATED COVERING DISTRICT HERE

J. B. Hardy, who was recently appointed district supervisor for Macdonalds Consolidated, Edmonton, taking the place of H. J. Addison, is on his first inspection trip to company's branches in the Peace River.

Mr. Hardy left for Dawson Creek on Sunday's freight.

## G. P. Agricultural Society To Hold Horse Sale, March

Officers Of Previous Year Re-elected—Ed. Grant And W. G. Fraser Of Teepee Creek Suggested That The Sale Be Held Annually Between September And October, And Grande Prairie Sale To Be Held Early In March.

Election of officers and the consideration of the advisability of holding another annual horse sale was the principal business dealt with at the annual meeting of the Grande Prairie Agricultural Society held in the council chamber on Saturday afternoon.

President George Balmer who opened the meeting, outlined the business to be dealt with.

On motion of E. J. Holton and W. J. Thomson, the officers of the previous year were re-elected. One year's term was re-elected. One year's term was re-elected. One year's term was re-elected.

The advisability of holding another annual horse sale was discussed at great length.

Ed. Grant, a director on last year's Horse Show Association, created by the Agricultural Society, and M. G. Priddy, both of the Peace River, were present and stated that there was a strong feeling at Sexsmith that the sale this year should be held at Sexsmith. They further stated that the opinion in the Sexsmith district was that the sale should be held alternately at Sexsmith and Grande Prairie.

As a meeting was to be held that evening, they would like a decision made on the subject of the sale. The case for Sexsmith, the Teepee Creek men advocated the closest co-operation between the two districts, and the case for Grande Prairie, they were in favor of one big sale rather than several smaller ones.

Following the discussion which took up the major portion of the time of the meeting, on motion of W. L. Caldwell, seconded by P. U. Clabine, it was decided that the Agricultural Society sponsor a horse sale to be held in Grande Prairie early in March, the exact date to be determined later.

According to the local branch of the Red Cross Society, the amount received up to noon on Thursday had reached \$400, with still more to come from the country canvassers.

Substantial donations have been given by the organizations. By the time the work is completed, it is expected the donations will reach the \$1,500 mark, more including the memberships.

A general meeting of the Red Cross will be held in the town hall tonight (Thursday) December 7th, at 8 p.m. The work committee asks that the women who are to be washed, stretched or pressed, before being handed in to the work room, which is opened Tuesday and Saturdays from 9.00 to 5.30 p.m.

## NEW BARN TO BE BUILT IN TIME FOR MARCH HORSE SALE

The Grande Prairie Agricultural Society has decided to build a large barn to accommodate the horses to be offered for sale at the Horse Sale to be held in March.

This decision was made at a meeting of the executive held after the annual meeting on Saturday afternoon.

It is expected that the coming horse sale will far surpass the previous one, and the number of horses to be offered.

## Salvation Army To Hold Doughnut Day December 8th

The Salvation Army Red Shield Women's Auxiliary will hold Doughnut Day, Friday, December 8th, in the rotunda of the Grande Prairie Hotel.

The proceeds of the sale of wool and other goods will be used for the benefit of the poor.

## G. P. Prairie Business Section To Take On Xmas Appearance

Following the custom of the past two years, the business section of Grande Prairie will again take on a real Christmas appearance.

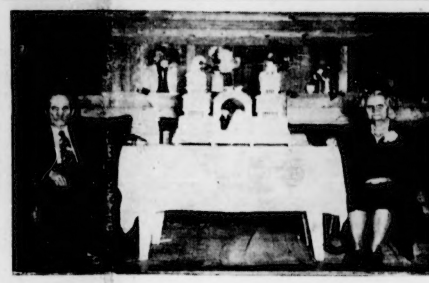

The colored lights will be turned on on December 15th, and will be left on to include the New Year.

### GRANDE PRAIRIE U.F.A. LOCAL ANNUAL MEETING DEC. 16TH

The annual meeting of the U.F.A. local of Grande Prairie will be held in the dining room of the Grande Prairie Hotel on Friday, December 16th at 8.00 p.m. An effort will be made to have a large attendance.

### CATTLE STEADY AND FIRMER IN MONTGOMERY, DEC. 6

(Continued on Last Page)

MR. AND MRS. "DAD" McQUARRIE, who were married on Monday night, December 7th, in the Bezanon hall on the night of Monday, November 27th.

## A. H. McQuarrie, Retiring Road Engineer, G. P. Board Of Trade Guest Of Honor

Presented With Gift—Mayor Lawlor Thanks Engineer For Assistance Given The Town—Presentation Addressed By Mr. McQuarrie In Advancing Development Of Country.

Following the address of Hugh Watt, who was guest speaker at the town hall Tuesday night, the meeting was taken over by the Board of Trade, and A. H. McQuarrie, who is retiring as Road Engineer, many years, presided at the meeting.

## Donations To The Red Cross Now \$1400

According to the local branch of the Red Cross Society, the amount received up to noon on Thursday had reached \$400, with still more to come from the country canvassers.

Substantial donations have been given by the organizations. By the time the work is completed, it is expected the donations will reach the \$1,500 mark, more including the memberships.

### LATEST NEWS FLASHES

LONDON, Dec. 6.—New attempt to end Europe's second war of aggression will be made this week by the British government, which is backed by the moral support of the United Nations.

The father of Harry Archibald of Grande Prairie, died at Chilliwack, B.C., on Wednesday, November 29th at the ripe age of 84 years, following a long illness.

The funeral was held on Friday, December 1, burial taking place in the Chilliwack cemetery.

### DIVISIONAL SUPERINTENDENT U.G.G. ON INSPECTION TOUR

F. N. Sandergatne, of Calgary, divisional superintendent of U.G.G., is on an inspection tour of the company's 26 elevators in the Peace River country, having made an inspection trip over the area in July last.

### BOBBY BESSENT JUMPS FROM RUNAWAY AND BREAKS ARM

Bobby Bessett, one of the Bessett twins, had a narrow escape from being seriously injured when his runaway team hauling logs from the Waipet River, broke down on the left bank.

### MUSICAL FESTIVAL COMMITTEE TO HOLD ANNUAL MEETING

The annual meeting of the Grande Prairie Musical Festival Committee will be held on Friday, December 15th. This is a general meeting and all who are interested are urged to attend.

### SHOOTING GALLERY WINNERS

Prize winners at the Shooting Gallery for last week are: 1st prize, R. E. Cookshaw; 2nd, Horace Partlow; 3rd, in the ladies section, Shirley Easterbrook took first prize with Dorothy Lott a close second. Keen interest was shown in the shooting and several good cards being hung up every day.

## Many Pay Last Respects To Memory of Henry Roberts Pioneer and Blazer of Trails

Lake Saskatoon Legion Hall Filled To Capacity—Despite Deploable Conditions Of Roads—Legion Was Strongly Represented—Service Conducted By Rev. K. L. Sanderson, Minister of Wembley Anglican Church.

Despite the deplorable condition of the roads, the Lake Saskatoon Legion hall was filled to capacity on Thursday afternoon by people who came from all parts of the Grande Prairie district, who came to pay their last respects to the memory of Henry Roberts, who passed away at his home at Bezanon, on November 27, following a long illness.

The many floral tributes and the large attendance bore the testimony to the high esteem in which the "Blazer of the Trail" was held in the entire district.

The service was conducted by Rev. K. L. Sanderson, of Wembley Anglican church, who was assisted by Capt. Roberts, who read the lesson. Practically everyone joined in the cortege to the Lake Saskatoon cemetery.

The veterans dropped a poppy on the casket as they filed past. The pallbearers were: Martin Anderson, Herb Brough, Frank Crumney, L. Fisher, J. G. Patterson and C. Stredulinsky.

Led by Mr. Sam Lowe at the piano, the following hymns were sung: "Jesus Lover of My Soul," "For Ever With Thee," and "Nearer My God To Thee."

Miss Christie Monikman sang very feelingly, "Face to Face."

## Funeral Of Anton "Tony" Dorscheid Held On Friday

Glen Leslie Church Filled To Capacity At Service Conducted By Rev. K. L. Sanderson, Minister of Wembley Anglican Church, Grande Prairie—Burial Took Place In Glen Leslie Cemetery.

The funeral of Anton "Tony" Dorscheid, of the Glen Leslie district, who passed away on November 28th, was held on Friday, December 1st, at the Glen Leslie church.

Rev. K. L. Fisher of Forbes Presbyterian Church, Grande Prairie, officiated.

The service was filled by sorrowing friends, who came to pay their last respects to the memory of a man they loved and respected.

Mr. Fisher at the outset of his sermon, said that in the following words of the Master's discourse, life appeared to be an utter blank. All he told them was that he was returning to his Father.

If the other world, remarked the speaker, was the other side of the house as well as this one; if there was no room in it for his followers he would have said, "There is no room in it for his followers."

## Father Of Harry Archibald Died At Chilliwack

The father of Harry Archibald of Grande Prairie, died at Chilliwack, B.C., on Wednesday, November 29th at the ripe age of 84 years, following a long illness.

The funeral was held on Friday, December 1, burial taking place in the Chilliwack cemetery.

## Keen Interest Is Being Taken In Short Course

Keen interest is being shown in the Youth Training Short Course, which commenced at Grande Prairie on Monday, November 27th.

The L.O.O.F. hall is being used for the class room and evening entertainments.

The carpenter shop is located in the basement of the hotel.

The basement of St. Paul's United Church is being used for the class room and the girls' class room for sewing.

Mr. Joseph's Catholic parish kindly donated the old Legion hall as a dormitory for boys, the girls being lodged in the various homes.

The course will continue until Friday, December 15th, and will be brought to close by a banquet to be held in the basement of the United Church.

## J. Power Leaves For Saskatoon

Where He Has Been Promoted To Branch Manager Of The Great West Saddletry At That Point.

Jack Power, who has represented the Great West Saddletry Company in the Peace River country for the past three years, has been transferred to Saskatoon, where he will be in charge of the branch.

## THE BREAKFAST THAT "STICKS TO YOUR RIBS"

### Delicious QUAKER OATS

#### THE NOURISHING WHOLE-GRAIN FOOD!

THESE BRISK CHILLY DAYS, CHILDREN AND GROWN-UPS ALIKE NEED A HOT, NOURISHING BREAKFAST. DELICIOUS QUAKER OATS PROVIDES THE LASTING VIGOUR YOU NEED TO SEE YOU THROUGH THE BUSY MORNING HOURS THAT BURN UP ENERGY FASTEST.

Serve Quaker Oats—the famous whole-grain food that's rich in strengthening proteins and minerals, also rich in nerve-nourishing Thiamin; the vitalizing vitamin everyone needs every day.

## Timely Hints From the Beaverlodge Sub-Station

By  
W. D. Albright

"IT IS A PLEASURE AS WELL AS A DUTY TO SERVE"

The world is full of people  
Who are brave when all is right,  
But what we need is courage  
When there's only clouds in sight.

When the sleighs are brought out  
The wagons should be washed, if not  
painted.

How many separators have been  
cleaned out this autumn as they are  
put away?

The eleven-months' precipitation  
at Beaverlodge this year exceeds by  
several inches the previous twelve-  
months' average.

Before the snow becomes too deep  
it is the time to list implement re-  
pairs needed and have them in  
order.

If ashes are spread around to pre-  
vent slippage it is well to see they  
are free of nails and sharp bits of  
hardware.

A few feet of three-quarter-inch  
rubber hose with a funnel on the end  
is safer and more convenient than a  
bottle for drenching livestock.

How much grief could be saved if  
each one of us financed within his  
means? Some low-paid laborers are

richer than many an embarrassed  
property holder.

Root cellars need watching for  
ventilation and temperature. A  
thermometer in the coldest spot is  
handy. If another can be spared for  
the warmest spot, so much the better.

If hoppers multiply next year, the  
turkeys may again prove to be good  
property even though turkey meat is  
cheap. Now is the time to obtain  
good breeding stock at a low cost.

Half a gallon of raw linseed oil, a  
bottle of turpentine and a couple of  
pounds of Epsom salts are good to  
have in stock at all times. They  
may be especially useful this year  
with so much half-spilled fodder  
around.

It may be an untimely hint by the  
date this is read, but if mouldboards,  
discs and cultivator teeth have not  
been smeared with grease they  
should be. It is a job that ought to  
have been attended to as each im-  
plement was laid by.

The Peace with its saturated soil  
this autumn contrasts happily with  
southern Manitoba, whence Superin-  
tendent Leslie, of Morden, reported  
on November 20, that the powdery

condition of the top soil caused grievous  
waste. On November 9 a dust  
blizzard had surpassed all others in  
his experience. Kansas reports that  
September and October had the low-  
est precipitation for that period in  
the meteorological history of that  
State.

### No Rust At Beaverlodge

During the summer rust nurseries  
were conducted at about 19 points  
that were spaced out about 32  
varieties of wheat and oats under  
observation. One group was placed  
at Beaverlodge and it is interesting  
to note that no trace of stem or leaf  
rust was collected.

Marquis was attacked by stem  
rust at a number of points, while Re-  
gent and Renown escaped. Thatcher,  
showed a trace of stem rust in some  
places. Regent and Renown 71.6  
were moderately resistant to leaf  
rust, with Marquis and Thatcher  
quite susceptible. Reward, Garnet  
and Red Bobs were not included in  
the nursery.

No crown rust was observed in  
Western Canada. In the East Erban  
oats had a trace of this smut while  
the other varieties were free of infection.  
Erban was quite susceptible to stem  
rust and Vanguard almost immune.

### Red Bobs or Thatcher—Crop For

1. What are we to do about wheat  
seedling next spring? The 222 is  
suitable here but the constant com-  
plaints against the protein content  
make one doubtful about it.

What would you think of Marquis  
on the hills overlooking the Peace?  
A number of farmers near Fairview  
recommend Thatcher. It yields  
well and is quite good from the  
standpoint of protein. What about  
its earliness?

2. Fifty acres of broom grass pas-  
ture grazed for 7 or 8 years has been  
broken last June when hard frost  
should I seed this to wheat or oats?

—D.M.K. Fairview, Alta.

Ans: 1. Many this year have had  
good satisfaction with Red Bobs 222.  
True, its protein percentage is down  
a little but the quality of the protein  
is good, as demonstrated by Howard  
Wright's win at Chicago last year,  
and by results in the University of  
Alberta Laboratory.

Thatcher is higher in protein per-  
centage than Red Bobs 222 but when  
it first came out its peculiar lustre-  
less greyish shade was rewarded and  
its general unpleasing appearance  
was noted. This year, Mr. Pike of  
the Edmonton office of Dominion  
Board of Grain Commissioners, ob-  
served that in addition to the greyish  
cast it also exhibited the peculiar  
purple tint of much of the Reward.  
Thatcher this year is in some cases  
averaging half a grade higher than  
Red Bobs in a 3-year average in the  
Beaverlodge plots Red Bobs has  
yielded 29.6 bushels per acre and  
Thatcher 29 bushels. Red Bobs was  
tured in 123.6 days; Thatcher in 125.7  
days. At the Fairview illustration  
station during the same time Thatcher  
averaged 28.8 and Red Bobs  
27.6 bushels per acre.

On the banks of the Peace, Mar-  
quis would have a fair chance of  
winning especially if fertilized, but  
one runs the risk of encountering  
bad weather at harvest and thresh-  
ing. We like to play safe.

2. If the June-ploughed broom  
sod has been well worked it should  
do for wheat. The yield might be  
only moderate and the protein per-  
centage none too high but the grade  
would likely be fairly good. In our  
residual-effects tests we occasionally  
find the higher protein percentages  
associated with some of the lower  
grades. Maturity (and color) count  
heavily in grading. Crop on broom  
sod usually ripens early.

### Fertilizer For Grain After Sweet Clover

What results have you had from  
ammonium sulphate and ammonium  
phosphate on a crop following sweet  
clover? Have been reading of Dr.  
Wynn's good results on the grey soils  
west of Lacombe towards the foot-  
hills. Is the fertilizer very costly?

G. M. Elmworth, Alta.

Ans: Our results do not tally with  
Dr. Wynn's at Breton and Pallas be-  
cause he is working with a heavier  
precipitation and a poorer soil. He  
can grow scarcely anything there  
without enrichment, while with it he  
has the moisture to realize much  
larger increases than we ordinarily  
obtain.

By plowing in sweet-clover sod on  
the second-class wooded soil on the  
hilltop of the Substation or by man-  
uring bare-fallow land or by fer-  
tilizing it with 11-48 ammonium  
phosphate we usually obtain sub-  
stantial increases over bare fallow  
without clover, manure or fertilizer  
but combinations of these do not give  
proportionate increases.

The 11-48 ammonium phosphate  
contains 11% nitrogen and 48%  
phosphoric acid. The 16-20 am-  
monium phosphate carries 16% nitrogen  
20% phosphoric acid and 14% sul-  
phur. Ammonium sulphate contains  
20% nitrogen and 25% sulphur.  
Triple superphosphate contains about  
44% phosphoric acid but no nitrogen  
nor sulphur.

In our experiments, where we  
have applied 11-48 ammonium phos-  
phate to wheat on sweet-clover sod  
we have usually raised the yield a  
little over that of unfertilized clover  
sod. Clover sod manured at 10 tons  
of rotted manure per acre has gener-  
ally outyielded somewhat the un-  
manured unfertilized sod, but where  
both manure and fertilizer have been  
added to the clover sod the yield  
thus far has been no better than from  
clover sod and manure. Sometimes  
the early promise is greater, only to

## NAMED TO HIGH AGRICULTURAL POST

head of the Field Crops Department  
of the University of Alberta, who  
has been selected by the Line Elevator  
Company, Director of the newly  
formed Agricultural Division of the  
West-Grain Dealers' Association.

Line Country Elevator Companies  
announced today that they have  
formed an agricultural division of  
the North-West Grain Dealers' Asso-  
ciation. The new department will be  
under the direction of Professor  
K. W. Neatby.

"For some considerable time past  
the line elevators have been giving  
serious consideration to the most  
effective and constructive manner in  
which they could assist in agricul-  
tural problems. The proper personnel  
to undertake such a work was their  
first consideration and they are now  
pleased to announce the appointment  
of Professor Neatby who is an out-  
standing authority on field crops and  
agriculture generally," said G. W. P.  
Hoffmeyer, president of the Line  
Elevators' Association. "He will be  
given a free hand in dedicating the  
work of this new department to the  
welfare and advancement of farming  
in Western Canada. Particular  
thought will be given to seed grain  
and crop improvement work."

Professor Neatby spent his early  
years in Saskatchewan and in 1924  
obtained his B.S.A. degree at the  
University of Saskatchewan. He per-  
formed graduate work in cereal  
dentistry at the University of Sas-  
katchewan in 1925-26 and at the  
University of Minnesota in 1927-28  
in genetics and plant pathology,  
where he obtained his M.S.A. degree.  
From 1928 until 1933 he was attached  
to the Dominion Rust Research  
Laboratory as cereal specialist and  
in 1933 was appointed head of the  
field crops department of the  
University of Alberta.

Government grading takes the  
quickest out of buying poultry.

few weeks ago. The former moved  
into their new home a few days later.  
The men are all home from work-  
ing across the river.

## LINDSAY NEWS

LINDSAY, Dec. 3.—First Lindsay  
Trotter, on leave, Paul Smolchuk of  
the 2nd Artillery of Edmonton,  
visited his parents between trains  
last week. Paul is the first of our  
Lindsay boys who enlisted. He likes  
army life he said and seems to be  
very glad of the prospect of going  
overseas soon. Paul, who is nearly  
6 feet, looked very handsome in his  
uniform. A farewell party was held  
at his parents' place, all his school-  
chums were there, also his numerous  
friends and neighbors. After a very  
bountiful supper, the evening was  
spent playing games until 12 mid-  
night, at which time a delicious  
lunch was served. Mr. Grimmer,  
the capable school teacher, addressed  
Paul, wishing him good luck in the  
name of all present, then they all  
joined in singing "For he's a jolly  
good fellow," bringing the party to  
a close, as Paul had to leave early  
next morning. His father, mother,  
brothers and sisters all went with  
him to the station. The party will  
be well and back amongst us soon.

W. Smolchuk, known as Bill, fol-  
lowing his brother's steps, also joins  
the army. Bill enlisted in the infan-  
try in Edmonton. Good luck is also  
what we wish Bill.

Government grading takes the  
quickest out of buying poultry.

## Orange Pekoe Blend "SALATA" TEA

### STURGEON HEIGHTS!

STURGEON HEIGHTS, Dec. 4.—  
Miss V. McDonald spent last week-  
end at Crooked Creek. Quite a  
few more would have gone but the  
condition of roads kept them at  
home.

Miss Marion Quickfall has gone to  
work in Grande Prairie.  
Mrs. Quickfall and Willie Harring-  
ton were Grande Prairie visitors re-  
cently.

Malcolm McArthur called on Bud  
Trotter last Sunday.

Our Christmas concert will be held  
on December 21. Everyone welcome.  
Mr. and Mrs. Osborne of Pipestone  
Creek visited Mr. and Mrs. Ralph  
Trotter last week.

Miss Alice Trotter called on Mrs.  
Adolf Weiss last Wednesday.  
Hylan Warner, who works for W.

Trotter, is in Deloit for a few days.  
Miss Erma Barker is working for  
the Tates. Mrs. Tate, who has been  
on the sick list, is slowly improving.

### NEW GERMAN DECORATION FOR SUBMARINE CREWS IS RATHER DEAD GIVE AWAY

A new decoration for German sub-  
marine officers and crews has been  
established, Berlin reports. The de-  
coration will be awarded to men  
"who have sailed on two or more  
cruises" against the enemy and to  
those wounded on duty aboard a  
submarine.

When a man is decorated for sail-  
ing only twice in a submarine, it  
strongly suggests that the risk of  
death on submarine duty is now so  
great that those who return to port  
are honored like survivors of a for-  
lorn hope. And when men wounded  
on submarine duty are set aside as  
a separate class, it also suggests that  
the chances are good of being wound-  
ed in less than two voyages, says the  
Winnipeg Tribune.

## BANK OF MONTREAL

Established 1817

A presentation, in easily understandable form,  
of the Bank's

### ANNUAL STATEMENT

31st October, 1939

#### LIABILITIES

LIABILITIES TO THE PUBLIC

HUNTLY R. DRUMMOND, President  
JACKSON DODDS, G. W. SPINDLEY, Joint General Managers

The strength of a bank is determined by its history, its policy, its management and the extent of its resources. For 122 years the Bank of Montreal has been in the forefront of Canadian finance.

## IT'S IN THE BAG FOR CHRISTMAS

And, boy—  
Ogden's is  
a gift for  
the man  
who rolls  
his own!

½ lb. tin 75¢  
In a gaily colored  
Christmas carton.

## OGDEN'S FINE CUT

McCallum's SCOT'S WHISKY

## CROOKED CREEK

CROOKED CREEK, Nov. 30.—The  
dance at Ridgeville school on Nov.  
24 was quite successful. There was  
a good crowd and everyone had a  
good time through the wonderful co-  
operation of the teachers, Mrs. Gray  
and Miss Tona.

The five dollar bill was won by  
John Descole, the lucky ticket was  
sold by Paul Dimert. All proceeds  
will go toward the Christmas tree.  
There was a wedding chivaree at  
the Frizzen home yesterday, for Tena  
and Leonard Daulton, who were united  
in marriage a week ago.

The weather is very nice out here.  
Roads are icy and the only travel is  
by wagon as the snow is all gone.  
Tom Smith of Clarkson Valley was  
a visitor at McLean's Monday.  
Mr. and Mrs. W. Ringby from De-  
Bolt were visitors at F. Dimert's on  
Sunday.

Mr. and Mrs. B. Chapman, and J.  
McLane returned from the south a

## LAME BACK

may result from faulty kidney action.  
Gin Pills help kidneys dispose of waste  
material that causes congestion. In the  
United States ask for "Gino Pills".
